

July 2, 61

I feel me obliget to send you this letter.

According to the informations which I received direct from inside we have chance to start work there with success.

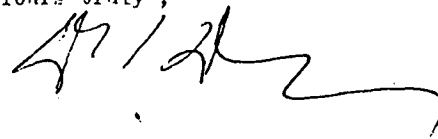

I belive that you are now, after three years , persuaded that your friends of today do not have influence and adherents inside and are not able to do anything.

Because I am duty bound to do something I want to inform you before.

If you want to come in touch with me please write to :
